NEW BUSINESS:

Schedule Finance and Audit Committee Meeting

Fiscal Officer Boggs and Director Dillie have drafted a preliminary budget for 2010; this budget must be submitted to the County Auditors' offices by May 31, 2009. The Finance and Audit Committee set a meeting for Wednesday, May 13, at 5:00 p.m. to review the draft budget and thereby make a recommendation to the Board.

Board Bylaws

The Board does not have current bylaws. Director Dillie has drafted a set of bylaws and asked that the President Bartley appoint a temporary Bylaw Committee to review the draft and make a recommendation to the full Board. Trustee Chapman asked Director Dillie if it was really necessary to have bylaws and what purpose they served. Director Dillie replied that this is a decision for the Board to make. Bylaws serve to provide the public with a structure as to how the Board of a public agency operates and makes decisions. The Board members also said that there might be existing bylaws, although these were not referred to in any meeting minutes.

Richard Rutledge, Pamela Swallen, and Roger Bartley agreed to serve on a committee to review the draft and decide whether to recommend adoption of bylaws to the Board.

Personnel Committee:

Director Dillie and Adult Services Manager Starling have explored ways to manage the daily delivery of library materials in a more cost-effective manner and have developed a plan. Director Dillie requested a meeting of the Personnel Committee to discuss it. A meeting time has not yet been scheduled.

TRAVEL IN MARCH:

None.

DIRECTOR'S REPORT:

On April 11, the library had a sewer back-up. The problem was discovered by the maintenance staff early in the morning and flooding was contained to a small area. Catlett Plumbing was called and suggested installing a backflow prevention valve. Mr. Catlett also discovered that several clean-outs shown on the plumbing schematics when the building was constructed were apparently never installed. The Board suggested contacting the architect and the plumbing contractor for the building project to investigate these discrepancies. Director Dillie will provide more information at the next meeting.
